. Show progress . Ask questions . Giving/receiving feedback			
2. Attendance			
Mohammad Nazibul Khan Lars Kluijtmans Esther Wolfs Michiel Koehorst Soleil Umwiza			
3. Agenda			
Topic	Discussion		
. Website	We showed tutor the demo of website for example, how employee can edit their profile and view their schedule. Logout needs to be fixed. Make default week availability.		
Do we need to connect our website to database?	Websites need to be connected to the database. Change schedule to availability.		
Deliverables	URS and Project plan: what is in the URS should be done.		
Feedback for peer review	. We give and receive feedback with each other. We talked about the things we learned from each other. Overall, we are in good term however we need to improve some of the things such as divide the work equally and try to communicate more.
